

Bellwork: 10/15/12

Given the graph below, determine if the relation is a function.
Then find the domain and range.

Function? **YES**

Domain: **$[-6, 2) \cup [2, 8)$**

Range: **$[-3] \cup (1, 5]$**

Classwork : Worksheet 2.3 A

#1-3 : graphs are not connected
so no interval notation
{ }

#4-9 : graphs are connected
so yes interval notation
